From the tabs at the top of the page select the Available courses tab. You can then use the tags in the filtering system to find a course. Courses will appear in date order in the main course list. To view the details of the professional development, click on the title of the event in purple type face.

The screenshot shows a user interface for selecting courses. At the top, there is a teal navigation bar with a 'Navigation Menu' button, the text 'GWE G6', and several utility icons including 'Learn translation' (set to 'Off'), a rocket icon, a document icon, a bell icon, a language dropdown set to 'EN', and a user profile for 'Llyr Jones'. Below the navigation bar, there are two tabs: 'Available courses' (highlighted with a blue arrow) and 'My courses'. On the left side, there is a 'Filter by' section with a '0' indicator. It contains a 'Generic Tags' section with a search bar and a list of tags, each with a checkbox. A blue arrow points to the 'Assessment for Learning' tag. Below the tags are dropdown menus for 'Subject' and 'Organisation Sector'. The main area is titled 'Courses List' and contains a search bar with a magnifying glass icon and a blue arrow pointing to it. To the right of the search bar are navigation controls: '<<', '<', '1', '>', and '>>'. Below the search bar is a 'Promoted Courses' section with a large empty box and left/right navigation arrows. At the bottom, a course card for 'Cfw Test' is displayed, showing '114 Capacity' and '2% Booked', with a clock icon for '09:00' and a calendar icon for '2021-04-19'.

The next page offers you an overview of course information including the delivery method.
